**RENEWED MOTION ON CONSENT TO AMEND APPLICATION**  
**AND DISMISS OPPOSITION**

Pursuant to Trademark Rule 2.133, Applicant, with Opposer's consent, respectfully requests that the goods description in Applicant's TUNEVILLE Application be amended by replacing the current description of goods with the following:

Class 9: Computer software for conveying lessons and drills that teach enunciation, vocabulary, reading, mathematics, social skills and personal care by employing music, animation and games in imaginary environments; Computer software for conveying lessons and drills that teach enunciation, vocabulary, reading, mathematics, social skills and personal care by employing music, animation and games intended for educational or therapeutic purposes, in imaginary environments that may be downloaded from a global computer network; all the aforementioned goods intended for educational or therapeutic purposes.

It is respectfully submitted that this amendment serves to limit the goods claimed in the original Application and does not broaden the goods claimed in the original Application.
